

Interview with Johnny Gioeli

It's a big honour for me to interview you for the brand new Crush40-fanclub.

1.) So Johnny, you're now with Axel Rudi Pell on tour through Germany. How does it feel?

2.) What can you tell us about the new album "The Crest"? How would you describe the new Axel Rudi Pell album?

3.) The song Devil Zone, as well as Dreaming Dead, is very reminiscent of the 80's. Devil Zone begins with a very nice and quiet intro, then comes a very nice 80's Guitar riff. Have both you and Axel had the idea for this?

4.) Besides ARP, are you planning something special for the projects (Crush 40 & Hardline) in the near future?

5.) What about working together with Jun in the future? How would that sound like?

6.) The best of Crush 40 – Super Sonic Songs, it's a great Crush 40 album! How closely did you and Jun work together on this album?

7.) What about the teamwork between Jun and you? Are you doing the composing and song writing together or – like with Axel Rudi Pell – is your part just to do the vocals?

8.) Is there a difference between working with Jun and Axel? I think this is a very interesting topic for all the Crush 40 Fans!

9.) Are there any plans to continue with Hardline?

10.) You know about the official Crush 40 fan club in which the musicians for Sonic will be presented – you as the real voices of Rock too of course! Is there something you would like to say to all the fans out there?

11.) The last question: is there a possibility you will be at the famous Sonic Event this Year: The Summer of Sonic 2010?!

Thank you very much for taking time for this interview!
